NARRATIVE

From January to June, **CHARLES F. ADAMS (DDG-2)** was deployed to the Mediterranean as a unit of USS NIMITZ Battle Group, to provide peacetime presence mission in the Mediterranean Sea. **ADAMS** participated in the following major operations/evolutions during the deployment:

1. National Week 87A from January 16 to January 20. It was a U. S. Navy exercise involving USS NIMITZ and USS JOHN F. KENNEDY Battle Groups. **ADAMS** exercised all warfare areas, including live weapons firings. **CHARLES F. ADAMS** was assigned to Orange Force throughout the exercise and provided target services for air-to-ground bombing runs by aircraft of both carrier air wings. The exercise NATIONAL WEEK 87A culminated in a well executed entry of task force sixty into Augusta Bay, Sicily, for Battle Group turnover.

2. Contingency Operations in the Eastern Mediterranean from January 24 to February 8 and February 13 to February 24. **ADAMS** provided escort services for USS NIMITZ during Eastern Med contingency operations off the coast of Lebanon. Additionally, **ADAMS** provided anti-air warfare (AAW) protection for the Task Force 61 on standby in the Eastern Med, operating with the amphibious group provided excellent training in Naval Gunfire Support (NGFS) procedures using embarked spotters.

3. Dragon Hammer 87 from May 3 to May 15. **ADAMS** participated in the NATO exercise designed to exercise Maritime, amphibious, and Air Forces in the Mediterranean Sea. **ADAMS** was assigned to Orange Force and operated with naval units from Turkey and Italy. The first phase of exercise involved anti-surface (ASUW) and anti-submarine (ASW) warfare exercises in the Aegean Sea. The second phase included simulated attacks on French and U. S. Carrier Battle Groups. The final phase saw **ADAMS**providing towed target support for air to surface bombing exercises by the United States and Turkish aircraft. In summary, Dragon Hammer 87 provided outstanding training in inter-Navy operations.

4. **ADAMS** successfully completed outchop Operational Propulsion Plant Examination (OPPE) during Mediterranean/CONUS transit.

Upon completion of Med deployment 1-87, **ADAMS** underwent NGFS qualification/spotter services at Vieques Island from August 10-23. **ADAMS** qualified with and average grade of 90 percent. **ADAMS** also provided spotter services for the 2nd Anglico and COMJSOC personnel.

CHARLES F. ADAMS conducted a routine port visit to Wilmington, North Carolina, from September 25-27.

ADAMS then participated in Law Enforcement Operations in the Gulg of Mexico from October 1-18. **ADAMS** participated in multi-agency drug interdiction operations off the Southern Texas coast. No arrests were made as a result of the operation. However, coordination between U. S. Navy, Coast Guard, and Custom Services was excellent and laid groundwork for future operations of this magnitude.

ADAMS then made a routine fueling stop and recreational visit to Galveston, Texas, from October 10-11.

ADAMS then provided highly successful spotter servies to COMJSOC and 2nd Anglico personnel on October 23-24.

Following this, **ADAMS** participated in Law Enforcement Operations in the Caribbean Sea from October 26 to November 8. During this time, **ADAMS** operated under tactical control of COMCARIBRON, patrolling the Haiti and Jamica gap for north-bound drug smuggling. **ADAMS** conducted seven boardings with no arrests.

SUBJ: HOMEWARD BOUND
1. AS YOU DEPART TO CONTINUE YOUR JOURNEY HOME, I WANT YOU, YOUR OFFICERS AND CREW TO KNOW THAT YOUR PERFORMANCE THROUGHOUT THE DEPLOYMENT TO THE MED PROVED YOU TO BE A SUPERSTAR. YOUR ACCOMPLISHMENTS WERE MANY INCLUDING THE HIGHLY VISIBLE MISSION AS EAGLE CONTROL IN THE AEGEAN DURING DRAGON HAMMER AND YOUR EXTENSIVE DUTIES AS MISSILE ESCORT FOR CTF 61 DURING THE EMED CONTINGENCY OPS. IT WAS NOTED WITH DISTINCT PLEASURE THAT CFA KNOWS HOW TO SHOOT HER MISSILES - FIRST TIME, EVERY TIME. YOUR CREW DISTINGUISHED ITSELF DURING YOUR HIGHLY SUCCESSFUL PORT VISITS. YOUR MOST RECENT SUCCESS IN THE OPPE WAS IN ITSELF IMPRESSIVE AND EXEMPLIFIES THE OBVIOUS PRIDE AND DETERMINATION OF YOUR CREW. CHARLES F. ADAMS IS THE OLDEST MEMBER OF OUR BATTLE GROUP, BUT THERE ISN'T ANYONE I WOULD RATHER HAVE IN COMPANY.
2. AS YOU STEAM HOME TO A MOST DESERVED HOMECOMING, I WISH THE "FIRST IN THE CLASS" GUIDED MISSILE DESTROYER A HEARTY WELL DONE.
