All children's activities will be located inside the museum for children while they wait.

All participants will enter the Washington Navy Yard at the 6th and M Street SE gate.
Parking will be available in the white spaces across from the display ship BARRY.

Please note: Ghost Ship Barry will become scarier after 8:00 pm.
Children under 13 will not be allowed to board after this time.

Costumes are highly discouraged due to the steep ladders and narrow passages on the ship.

Children must have two hands free to hold hand rails (candy buckets, swords, wands or other hand held props will not be allowed).
