CTF 50

- TF 50 UNITS OPERATING INDEPENDENTLY OF ABE OR ANOTHER DESIGNATED WEATHER GUARDSHIP ARE TO TRANSMIT SURFACE OBSERVATIONS EVERY 3 HOURS IF VISIBILITY IS LESS THAN 1 NM FOR MORE THAN 3 HOURS.
- FOR ALL: [REDACTED] RECENT ISRAELI-PALESTINIAN VIOLENCE RAISES THE POSSIBILITY OF SPILLOVER DEMONSTRATIONS AND VIOLENCE IN OTHER MIDDLE EASTERN COUNTRIES. THIS IS A VERY VIABLE FORCE PROTECTION CONCERN. COMUSNAVCENT HELD A FORCE PROTECTION BOARD ON 09 OCT. FOR NOW, THE THREATCON LEVEL AND THE PORT VISIT SCHEDULE REMAINS UNCHANGED. COMUSNAVCENT WILL ISSUE A MESSAGE ON 10 OCT WHICH WILL OUTLINE RESTRICTIONS TO LIBERTY, ETC. IN THE INTERIM, CTF-50 UNITS CURRENTLY INPORT SHOULD HEED THE CENTCOM GUIDANCE QUOTED IN CTF 50 081925Z OCT 00 WHICH SAYS, "RECOMMEND LIMITING EXPOSURE OF PERSONNEL IN AREAS KNOWN FOR DEMONSTRATIONS, RALLIES, AND ANTI-US GATHERINGS AND AT PLACES KNOWN AS "AMERICAN" GATHERING SPOTS."

5TH FLEET ROE

(1) ROE: WHILE ENFORCING MIO IN MA2, YOU APPROACH THE S/V ZAPHOD. YOU NOTE THE ZAPHOD DOES NOT APPEAR TO BE FLYING ANY FLAG. SHE HAS EXITED THE KAA AND IS 12.5 NM'S OFF THE COAST. YOUR HELO REPORTS THAT THEY OBSERVED ACTIVITY AROUND THE PILOT HOUSE. S/V ZAPHOD HAS ANSWERED NONE OF YOUR HAILS, NOR HAVE THEY ALTERED COURSE AND SPEED. MAY YOU FIRE WARNING SHOTS/DISABLING FIRE? IF SO, WHAT ARE THE RESTRICTIONS?

ANSWER:

ALTHOUGH THE ROE AUTHORIZES THE USE OF WARNING SHOTS AND DISABLING FIRE, NEITHER HAS BEEN AUTHORIZED IN THIS THEATER IN MEMORY.
