1. We have not received the 1991 history of the USS BREMERTON as required by reference (a). Reference (b) was the first to the ship for the subject history.
2. These command histories support the needs of the Department of the Navy for reliable information on recent operations and activities. They are the only permanent, readily retrievable record of the achievements of individual commands.
3. If a delay of more than 60 days is anticipated in submitting subject history, we request that you notify us of the expected date of transmittal.

A handwritten signature in cursive script that reads "C. F. Wise".
