We've Tackled Team Spirit and Valiant Mark
 We're so familiar with Pohang we can pull in after dark.
 We'll remember Kadena, the long trek from White Beach,
 The nights on BC street, and yes China Pete's.
 We know that ARG BRAVO is the working man's cruise,
 And picking up ALPHA would be well received news.
 We've completed all missions and various tasks,
 That Marines and all others could think of to ask.
 We're the men of the DENVER, always willing to work,
 So we're chopping to Third Fleet where more fun times lurk.
 We have only one CASREP left to repair,
 The TACAN is down causing the ETs to despair.
 So Good-bye Admiral Chase, good luck to your force,
 At midnight tonight we complete the divorce.
 We're proud to have served you, been part of your fleet,
 Farewell from the Denver, her mission's complete.
