**COMMAND COMPOSITION
and
ORGANIZATION**

MISSION:

The mission of the FFG-7 class ship is to provide local area protection to underway replenishment groups, amphibious groups, and other military shipping against subsurface, air, and surface threats, as well as anti-air warfare (AAW), anti-surface warfare (ASUW), and anti-submarine warfare (ASW) self defense. FFG-7 class ships can also contribute to Carrier Battle Group (CVBG), Battleship Battle Group (BBBG), or Surface Action Group (SAG) defense. The addition of the SQQ-89 system to flight four FFG-7 ships, like the KAUFFMAN, gives her front line capability against the most advanced submarines in the world.
