BATTALION HISTORY

Composed of men from every state in the Union, the One Hundred and Forty First Naval Construction Battalion was formed at Camp Peary, Virginia, in early October, 1943.

Under the command of Lieutenant Commander L. C. Tschudy, the battalion soon moved to Camp Endicott, located at Davisville, Rhode Island, for advanced training and schooling.

Late the same month, the battalion made the first of what was to prove many moves about the area, when it hiked up to the Sun Valley rifle range for a week's stay.

“BOOT LEAVE”

Then came November 7th. Boot leave—“at last!” Leaving the boys from the West coast and other distant regions to hold the fort, officers and enlisted men living east of the Mississippi quickly scattered in all directions.

COMMANDER P. S. CLARK

A practicing architect in private life, Commander P. S. Clark, CEC (VS) USNR, was born in 1895 at Lynchburg, Virginia, where he still maintains his home. Received his education at the Augusta Military Academy and the University of Pennsylvania.

Enlisting as a seaman in the first World War, he was sent to Annapolis for reserve officers' training. Upon receiving an ensign's commission as a line officer, he served aboard various naval vessels, including sub-chasers and transports.

The second World War found the former naval officer ready to serve again. Given the rank of lieutenant commander, Mr. Clark was named officer-in-charge of the 28th Naval Construction Battalion, when it was commissioned in September, 1942.

After completing its advance training at Davisville, Rhode Island, the battalion was sent overseas to Iceland, where it served 10 months under trying weather conditions.

Elevated to the rank of full commander in August, 1943, Commander Clark was named the new officer-in-charge of the One Hundred and Forty First construction battalion early this year, replacing Lt. Comdr. L. C. Tschudy.

"THE SIX MATES"

THE BATTALION BAND

Organized soon after our arrival at Camp Endicott, the band has played an active part in creating and sustaining the military bearing that is characteristic of the 141st Battalion.

Directed by F. G. Reutling, (CCM) veteran musical director, the thirty-six piece military band is composed of an almost equal number of musicians from each company in the battalion.

Similar to every musical organization of its kind, the band had its share of hard work and ups and downs at the start. Lack of instruments. Leaves, drafts and replacements.

With H. M. Smith handling his drum major duties in excellent style, the band began to attract attention wherever it appeared. Trim, military appearance. Clever marching formations.

“There goes our band!”—later became a familiar and deserving boast as the boys marched or practiced on ice or snow-covered grounds at Rhode Island last winter.

Shortly prior to leaving the States for overseas, the band won the much-sought band championship of Camp Thomas. Competing against older groups, the boys performed like veterans. The battalion was really proud of them that day.

Once overseas, the band acquired added duties and assignments. Morning “colors.” Friday evening concerts. Parades or appearances at Hilo on Memorial Day and the Fourth of July.

THE "SIX MATES"

There’s Charles Lorton with his trumpet and violin, Leroy Davis and his guitar. William Fleming the bass player. Verle Jones the hot-shot drummer. Harvey Delaurenti the accordionist. And Richard Piatt, the arranger, clarinet and saxophone player.

Take the above-mentioned musicians, seat them together, turn them loose and you have “The Six Mates.” With one exception, the boys double in entertainment, since they also perform with the battalion military band.

Formally organized soon after the battalion arrived here, the “Mates” soon filled a local need with their Monday night jamborees that attracted capacity gatherings.

Although quite content to play the “little brother” role, the boys have already established a musical reputation that will follow them no matter where they go.

The swing band received official sanction when Lt. E. E. Ellwood, who performed with Kay Kyser’s orchestra at one time, became the master of ceremonies and booking agent for the group.

In addition to making regular appearances at the base theater, the “Mates” play at the USO center each Tuesday night and at the Navy Officers Club each Saturday evening. Many of their programs have been broadcast by a local radio station.

BATTALION BASKETBALL SQUAD

BATTALION BASKETBALL

Organized and managed by Lieut. E. E. Ellwood and T. C. Hull, chief specialist, who served as co-coaches, the battalion basketball team enjoyed fair success during its first season of hoop competition.

Frequent moves about the Davisville area, plus limited practice sessions and lack of courts, prevented the squad from attaining the necessary class and teamwork demanded of a winning team.

Making the best of existing conditions, the boys had a lot of fun while winning 10 games and losing nine. The team played its best ball when competing against the strong station force teams at Davisville.

WIN FROM CAMP THOMAS J V's

The Camp Endicott junior varsity nosed out the 1+1st five, winning 20-19. We divided honors with the Camp Thomas junior varsity, winning the first game, 35 to 33, only to lose a return engagement by a 40 to 36 score.

Near the end of the season, the team entered the inter-battalion cage league at Camp Thomas. We finished in second place with three wins and one defeat to our credit. The 129th battalion won the title, remaining undefeated.

Starting lineup: F. R. Swanson and W. R. Starkey at the forward positions; C. E. Keesee at center; H. W. Porter and B. R. Abernathy at the guard positions.

Substitutes: W. L. West, forward; N. F. Curtis, forward; L. E. Rinehart, center; R. V. Smith, guard; G. W. Smith, guard; and W. D. Thorne, guard.

Team manager: Steve Stanczak.

INTER-COMPANY BASKETBALL RESULTS

The inter-company basketball league, conducted at Camp Endicott last winter, proved a red-hot affair—while it lasted. Close scores, plus spirited competition proved the order of the day.

After six weeks of play, the league was terminated due to the lack of a playing court. At the time, teams representing Hdqrs. Co. and D Co. were tied for top honors. Each squad won five games and lost one.

According to unofficial local recreational plans, a similar inter-company league will be organized within the battalion this coming basketball season.
BOXING SQUAD

Kneeling (L to R): D. J. Gallagher, trainer; and H. P. Sullivan, coach.

Third row: Dave Shirley, Wayne Burns, Jack Snyder, Lou Sennik, and Bobby Banks.

The battalion boxing team was organized in November, 1943, while at Camp Endicott, under the direction of Lieutenant Peter Zierolf and Coach Harold C. Sullivan.

Following several weeks of hard training, a six-man team visited Newport on December 6 and defeated a capable Marine squad at the USO auditorium, winning five out of six bouts.

Encouraged by their initial success, a ten-man team squared off against the 130th NCB at Camp Thomas on Jan. 14, 1944. The 141st boxing team really established itself that evening, winning eight of the ten bouts presented.

The ten-man squad included Lee Bohn, Danny Gallagher, Jack Snyder, Tony Megyesi, Johnny Carroll, Steve Moy, Wayne Burns, Roosevelt Olivi, Dave Shirley and "Cowboy" Tolbert.

Then the fun began. The battalion leather pushers were immediately challenged by the 129th Construction Battalion boxers, who claimed the Camp Thomas ring championship.

Using two newcomers, namely, Joe Bruner and Lou Sernuis, a ten-man squad had its hands full all evening, but emerged victorious, winning six of the ten fights scheduled.

On April 17, the 141st boxers exhibited their wares for the first time on the Hawaiian Islands. A six-man team won five of six bouts from a tough Marine Transient Center squad. The bouts, held near Honolulu, were well attended.

ENTER CENTRAL PACIFIC TITLE BOUTS

A short time later, Lieut. Zierolf and Sullivan selected Youngblood, Gallagher, Bohn, Snyder, Bruner and Olivi to compete in the Central Pacific championship bouts, scheduled to be conducted on an elimination basis near Honolulu.

While all of the 141st representatives succeeded in advancing as far as the quarter finals, Olivi, alone, managed to fight his way into the finals, only to drop a close decision.

The boxing team suffered its first defeat soon after arriving at this island. Competing against clever service boxers, the boys won only four of ten bouts entered.

Undismayed, the team came back on June 29 to score an impressive win, taking every bout engaged in. Fighting the main event, Olivi won a close decision from the hometown favorite.

Although a few of the charter members are no longer performing with the squad, newcomers keep cropping up. Some of the latest names include "Red" Derry, "Ken" King, "Irish" McCulloch, Karl Wooten, "Bill" Cannon and "Red" McDonnell.

The success of the 141st boxing team to date can be traced to the splendid cooperation of all the officers and to the untiring efforts of Alexander McWilliam, Danny Gallagher, Adam Wadja and John Taylor, who have worked hard as trainers.
BATTALION BASEBALL SQUAD

Front Row (L to R): Harry Repaid, Art Shearer, Bill Thorne, Howie Porter and Bill Crussell.
Middle Row: Manager Bill Abernathy, James Scully, Elmer Prentice, Frank Kendall, Bill Keyes and Mike McLean.
Not present: Edward Barry, Bill Robel, S. G. Mosure and George Tetley.
The baseball team, like the boxing squad, has provided the large group of sports followers to be found in the battalion, with many an hour of interesting entertainment.

Organized and coached by Lieutenant K. G. MacLeod shortly after the battalion arrived at the Hawaiian Islands last spring, the team has built up an impressive record during its brief span of existence.

Upon moving to this Island, the team entered the ten-team AAA league of Hilo, which was just being formed. The league included nine service teams and one civilian club.

Although competing against older teams, the 141st nine finished third in the first half standings, winning six games and losing three.

Came the start of the second half, the team easily won its first two games. Frank Kendall, leading team chucker, set a new local strikeout record in the first game when he struck out 20 batters.

Then the boys ran into a losing streak. The Templeers, the Marines, the Tankbusters and the Hawaiis all managed to register wins by bunching their hits at the proper time.

Just when the local diamond experts were looking forward to seeing the Hawaiis slaughter the 141st nine in their return game, "Doc's" boys up and fooled everybody by putting up an unexpected struggle that lasted 16 innings.

"Bucky" Kendall went the entire route for the Seabee nine, and allowed only six hits, while we collected 16 hits. The Hawaiis chased two runs across in the final inning to win, 8-6.

Diamond followers were given a rare treat early in July when the powerful 7th AAF team of Honolulu appeared here, facing an all-star squad selected from the local loop.

Composed of famous major and minor league players, the visiting Army team swept the two-game series, winning 5-2 and 5-0, while performing before record breaking gatherings.

"Bucky" Kendall, pitcher; Robert Peterson, infielder; and John Fox, outfielder, were selected from the 141st nine, along with Lt. MacLeod, who acted as one of the assistant coaches.

**SQUAD ROSTER**

Pitchers: Frank Kendall, William Keyes and Billy Crussell.

Catchers: Arthur Shearer and George Tetley.

First basemen: Robert Peterson and John Miramon.

Third basemen: Howard Porter and Bill Robel.

Short stop: Elmer Prentice and Dick Cowan.

Outfielders: John Fox, Jim D'Orio, Mike McCleane and S. G. Masure.

INTER-COMPANY BOWLING AND SOFTBALL RESULTS

Apparently the best bowlers and softball players in the battalion are to be found in D Company, judging from the sports information released by the recreation department.

First, the company bowlers copped first and second place in the battalion bowling league that was conducted some weeks ago, and then the softball team walked off with the diamond title of the league just completed.

Competing in a ten-team bowling league, composed of one or more platoons from each company, teams representing D-2 and D-1 finished first and second, respectively.

FIGURES, FACTS AND FACES

STATE REPRESENTATION

Although tied at one time, Pennsylvania now holds a slight lead over California, in the number of "native sons" to be found in the 141st Battalion. New York is third, followed by Illinois, Massachusetts, Ohio, New Jersey, Texas, Washington and Oregon in the order named. Portland, Oregon, ("Tim-ber!") ranks first among the many dozens of cities represented.

POST-OFFICE FORCE

Needless to say, Andrew J. Fuller and Rudolph Ostrup have proven themselves to be one of the most popular combinations to be found in the entire battalion.

Friendly, courteous and conscientious. Experienced postal workers. "Andy" and "Rudy" keep the mail coming and going in the traditional manner. "What! No mail, today?"

THE BATTALION NEWSPAPER

Following a very humble beginning (not to mention various trials and tribulations) the battalion newspaper is now a healthy eight-page publication that satisfies even the most demanding of readers.

Headed by editor-in-chief Lt. (j.g.) W. A. Dubovick, a well-balanced staff includes; news editors Jefferson B. Hunt and John (Deacon) McGuire; artist William B. Simpson; photographer Henry C. Underwood; technician Woodrow (slip-sheet) Smi.h; contributors Ray Nelson, Delmas Ford and George Tetley.

THE PASSING PARADE

Many and varied are the skills, trades and occupations that are required for the every day operation of naval construction battalion. Considered as a passing parade, we salute the following departments, crews, groups, gangs and forces.

The personnel department; the boys who keep our service records up to date. The disbursing department; they see that we get paid on time. The supply department with its storekeepers and warehousemen who keep us clothed and supplied. The medical department with its corpsmen and hospital attendants.

Then the cooks, butchers and bakers, followed by the mess cooks and scullery crew. Next the engineering and drafting groups. The ever busy planing mill gang. The useful armory crew.

Now the hard workers. Namely; the jack-hammer, bull-dozer, power shovel and crane operators. The quarry, asphalt and paving crews. The powdermen, steel workers, welders, machine shop and barge operators. The busy refrigeration gang.

Then, equally proud of their record, the carpenters, electricians, painters, pipe fitters and cement workers. Along with the trucking and transportation crews. The versatile gang at the motor pool.

The recreation staff, the laundry crew, the tailors, the ship's service force and the barbers. The eagle-eyed censors, the MAA's and guard force. The theater projectionist. And last but not least, the "mad cobblers," who, after all, keep us on our feet.
"Home Sweet Home" for ten days, or, what was left of it, after allowing time for wartime travel on overcrowded trains and busses. Homecoming celebrations. The days flew by. Fond farewells! Who will ever forget his first leave?

Back on the ball! Extended order and classes for certain ratings. The newly organized battalion band came out of hiding. Winter is coming. The boxers and basketball players began organized practice. Turkey for Thanksgiving!

BATTALION IS COMMISSIONED

Then came another very important day. The One Hundred and Forty First Naval Construction Battalion was duly commissioned by Captain Fred N. Rogers, USN (retired), and presented with its "colors" on November 27, 1943.

At last we were an accepted unit of the newest, yet already proven, branch of the naval service. An impressive and colorful ceremony. Windswept drill field. And no pea-coats!

Early December at Camp Thomas. Fifteen days leave for the gang living west of the Mississippi. "California Here I come!" From Seattle in the north to San Diego in the south.

What a nightmare that proved. Supplies (?) ran out! Hard riding trains. Little sleep. Gas-lit coaches. Boy, it feels—felt good to be home. Back to Sun Valley (ABD) for the battalion in the meantime.

Heavy winter clothing issued. Barbed-wire liberty! Special missions to East Greenwich. Merry Christmas! Happy New Year! Lieut. A. H. Lowe, executive officer, assumed temporary command, when Lt. Comdr. Tschudy was called to Washington.

Time marched on. Commander P. S. Clark arrived and assumed his duties as the new officer-in-charge. The boxing team was still unbeaten. Sub-zero weather. "Who stole our coal shovel?"

Extra gear and equipment issued. The scuttlebutt really began to flow. "We're shipping out. We've shoving off for here—there—everywhere!" The band became of age in winning the coveted camp band championship. Those were the days.

Finally the order: "pack all extra gear!" All liberties cancelled. Hurried long-distance phone calls home. A dress rehearsal around the drill field. "Oh! My Back."

Then it came: "RIGHT SHOULDER—BAGS!" At last we were off. Headed for the dock and overseas. Waiting in the warehouse. Hot coffee from the Red Cross. Hours on the dock. "What time is it, mate?" Seven, nine, eleven o'clock. On board at last.

“Land ho!” “Aloha, Hawai‘i!” Ashore after 22 days on board ship. Liberty in war-crowded Honolulu. On the move again. And then to our Island. New work assignments. Sightseeing trips. The mongoose trail! The cure: five days in the BRIG.

Grand opening of the new ship’s service store and beer garden. The novelty of voting in a former (censored). Attending the early evening touch-tackle football games.

The first Christmas packages from home start to arrive. The scuttle-butt has started to flow quite heavily again. What now? “Yep, this is a big outfit!” Amen.

HAWAIIAN HIGHLIGHTS
WELL WORTH REMEMBERING

The island of Oahu (gathering place). Picturesque Diamond Head overlooking Honolulu harbor. The city of Honolulu (fair haven). Truly, the “cross-roads of the Pacific,” where the East and West meet in a tropical Hawaiian setting.

Overcrowded conditions everywhere. Wartime rules and regulations. Curfew. Uniforms representing every branch of the service. Seemingly endless lines leading to movie houses, bars and restaurants.

Liberty in whites. Shopping for souvenirs or film. Dodging a tropical shower. Making the rounds. Visiting the various USO centers. Talking with servicemen who have been “down under.” Waiting for a bus. Standing room only.

Out to Waikiki Beach. Strolling around the Royal Hawaiian Hotel. Watching the natives paddle outrigger canoes or come dashing in on surf-boards. Hawaiian music and hula dancing.

HAWAII—THE BIG ISLAND

Hilo; the principal city. Friendly, slow and easy going. Old fashioned shops vie with the new. Colorful little parks. Native houses built well off the ground. Over-hanging corrugated tin roofs, painted a bright red or green.

Lofty mountain peaks in the distance. Mauna Loa reaching up to 13,675 feet. Mauna Kea, higher yet, pushing up to 13,825 feet. Beautiful sights in the early morning.

Scenic trip around the island: Through cane fields then up and across the Parker ranch. Visiting the old royal summer palace at Hulihee. Cross- ing numerous old lava flows. Arriving at the Volcano House overlooking the Kilauea crater. A side trip to the black sands beach.
"Trim, erect, military"—the Battalion received the highest form of praise from the inspecting party headed by Commodore A. G. Quinn. Above Comdr. Quinn is followed by Comdr. J. W. Williams Jr. of the station and Comdr. P. S. Clark.
OPENING NIGHT AT THE NEW OFFICER'S CLUB

The "Six Mates," directed by Lieut. E. E. Ellwood, provided the necessary musical entertainment for a capacity gathering.
THE BULLDOZER!
The working symbol of the Seabees the world over.
The operation of a saw mill constitutes one of the most important functions of any construction battalion.

A PLANER CREW AT WORK
THE ROAD PAVING CREW

Thanks to their efforts, transportation on the base now proceeds at a smooth and steady pace.
Nothing fancy or spectacular to look at, the carry-all more than earns its keep, as it is towed along by a caterpillar tractor.
THE JACK-HAMMER OPERATORS
These men know what it is to put in a full and hard day's work.
A WELDER AT WORK

Photographer Henry Underwood caught this unusual time shot at night, showing a welder busy at work on the steel storage tank.
PERFECT HANDLING

A power shovel operator skillfully empties his bucket into the bed of a waiting dump truck.
THE QUARRY

These men also know what it takes in the form of hard work to keep the various projects supplied with crushed rock.
BUILDING A BARRACKS

A standard size barracks nears completion as a roofing crew goes about its work. This particular structure was erected in record time.
STRICTLY ON THE LEVEL!

Members of a surveying party work hand in hand with heavy equipment operators, checking to see that the correct grades are maintained.
BUSINESS BEFORE PLEASURE

The newly completed station swimming pool as it appeared during the early days of its construction.
THE SONG OF THE SEABEES

Lyric by
SAM M. LEWIS

Music by
PETER DE ROSE

We're the Seabees of the Navy,
We can build and we can fight,
We'll pave our way to victory
And guard it day and night.
And we promise that we'll remember
The "Seventh of December."
We’re the Seabees of the Navy
Bees of the Seven Seas.

The Navy wanted men
That's where we came in
Mister Brown, Mister Jones,
The Owens, the Cohen's and Flynn
The Navy wanted more
Of Uncle Sammy's kin
So we all joined up,
And brother we're in to win.
