

UNITED STATES NAVY SEABEE MUSEUM

CLASSROOM PLAQUE CHALLENGE

Did your students enjoy their visit to the Seabee Museum? We encourage you to take the Museum into the classroom by participating in our Classroom Plaque Challenge!

Fifth grade classes who have completed a field trip to the Seabee Museum are encouraged to design a plaque as a class. Tell us who you are! We will post your classroom plaque pictures to the Seabee Museum website and on our Twitter page. Represent your class, grade and school!
