

Children's Gallery Map for The Hampton Roads Naval Museum

Start your adventure here at the front desk and try a scavenger hunt.

USS *America* is the length of 22 school buses.

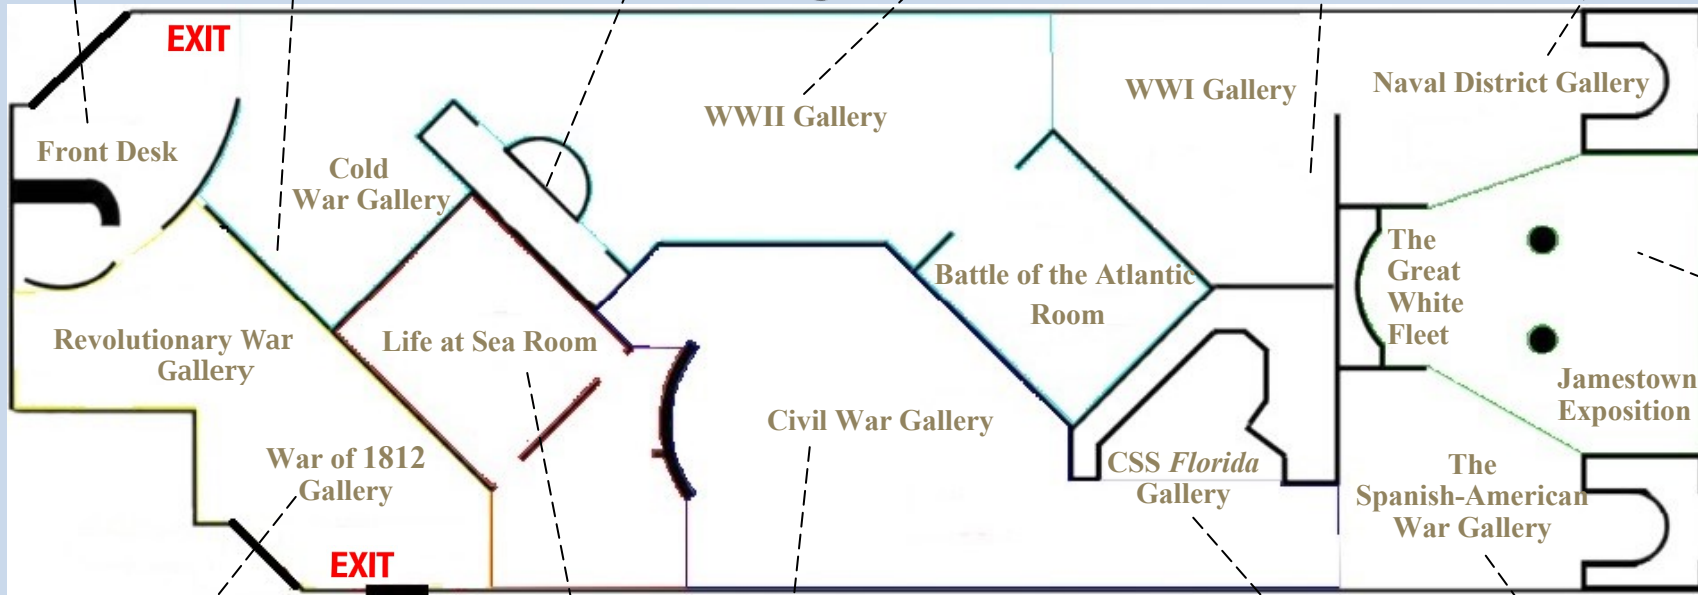

See a model of a German U-boat and learn about Wolf Packs at sea.

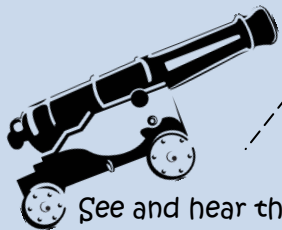

Try a signal light or steer a ship's wheel.

Look at the *Return of the Mayflower* painting. What could you see, smell, and taste if you were in this picture?

Learn about the first airplane to fly off a ship.

How many souvenir medals can you find?

See and hear the noise of a real cannon. The cannon weighs more than a hippopotamus.

Learn about Life at Sea. Take a break and play a game of checkers or dress up in naval uniforms.

Stand in the black circle on the ground. This is the size of the *Monitor's* turret.

Like fireworks? Learn about the blockade runner and how it won several boxes of fireworks.

See a real torpedo! It can move as fast as a giraffe running at full speed.
