

Online Education Program Request Sheet

The Hampton Roads Naval Museum will be offering four of our regular education programs in an online format beginning in the fall of 2020. These programs are:

- **Battle of Hampton Roads**
- **World War I Poster Propaganda**
- **Cartoon Propaganda in World War II**
- **Explorers and Navigation**

The programs will be available in two different online formats: 1) pre-recorded videos that cover the same information our educators usually do in person, along with activities for the students that can be either led directly by the teacher or used as homework assignments; or 2) a live Zoom program with the students. This option is **only** recommended if you will be in the classroom and if your students are able to directly interact with the educator (for example, if your classroom is set up so the students will show up on a webcam).

To request a program, please fill out the following information:

Name:

School:

School address:

Teacher's phone number:

Email address:

Grade(s):

Approximately how many students will be participating in this program?

Which program(s) would you like to book?

Battle of Hampton Roads

World War I Poster Propaganda

Cartoon Propaganda in World War II

Explorers and Navigation

When would you like to book the program? Please give a few different dates or range of dates.

Which program option would you like to use?

Option 1 (pre-recorded videos)

Option 2 (live Zoom)

To book a program, please return this sheet to Laura Orr at laura.l.orr@navy.mil or call (757) 322-3108.
