RESULTS, AREA, COMMENTS

Controller Roller Skate One directed the strike against a railroad tunnel at DV 3333. 1000 G.P. bombs and HVAR effectively blocked both ends of the tunnel. The controller reported that a 25 car train was in the tunnel. DV 3636 20 boxcars were bombed, strafed and rocketed. An estimated 10 cars were destroyed while the remainder were either damaged or left burning. In this same area, a warehouse was strafed and left burning. DT 1218 - The village of Yanggu was bombed and rocketed. Large fires were started and an estimated 20 bldgs. were destroyed. DT 1417 to DT 1528 - Six to eight villages in the valley were strafed, bombed, napalmed and rocketed. Twenty buildings were destroyed and twelve large fires were started.

RESULTS, AREA, COMMENTS

Bldgs. and troops in area DS 2390 were hit with bombs, HVAR and strafing. Other planes of the strike hit this same concentration. Three bldgs. were destroyed, five bldgs. were damaged extensively and 10 troops were killed. It is probable that other troops were hit. DS 2296 - Horses, bldgs. and troops were bombed and strafed. It was estimated that 3 horses were killed and several bldgs. were damaged. DS 2398 - Strafed a troop concentration in this area with the result that nine were killed and others were probably killed.
