23 - 31 Dec	In-port Groton, CT Post Deployment Standown

Part 3. Narrative

A. Written Summary: 1999 began with comprehensive training in preparation for an extended training deployment to the North Atlantic. This training included significant classroom hours as well as at-sea workups. Pre-Overseas Movement (POM) workup and certification concluded 25 June, and PHILADELPHIA was prepared to get underway for the Northern Atlantic. The primary purpose of this deployment was to demonstrate the ability to operate unsupported by outside organizations for an extended period of time

and provide forward presence and crisis response as necessary. Included in this mission were 99 consecutive days of operations at sea.

B. Statistical Summary:

1. Navigation Total Miles Steamed : 53,837 NM
2. Ship Awards: 1999 Communications Green "C"
 Tactical White "T"
 Damage Control Red "DC"
