

# NAVAL AVIATION NEWS

November–December 1999

A lemon sun breaks through gray misty mire  
As the sea rimshots against the ship's hull  
Skyhawks dance over the three-wire  
Like the shore plays with a sea gull  
Green shirts put bridle to bit  
Preparing pilots for a rodeo ride  
A moment launches a skyborne sentry  
The last bridle welcomed by the evening tide

—Joshua M. Hudson
