

KOREAN CRUISE BOOK CLIPS: VALLEY FORGE

The traditional cruise book is much more than a way for Sailors to commemorate the people, places and events of a particular deployment. Years later a cruise book can help expand on official historical accounts, revealing the spirit of the era it represents. Here, excerpts from the cruise book of *Valley Forge* (CV 45) illustrate both humorous and literal images of an aircraft

Air Dept.

"YEAH, AND IF WE GET ONE OX CART HE'LL CLAIM TWO!"
