COVERS—Front: artist Ted Wilbur imagines what old-timer Grampaw Pettibone would think about a ride in today's F/A-18 Hornet. Back: an E-2C Hawkeye assigned to the *Tigertails* of Carrier Airborne Early Warning Squadron 125 approaches *George Washington* (CVN 73) deployed in support of Operation Enduring Freedom (PHAN Jason R. Zalasky). Contents pages: Naval Aviation photographer/writer Rick Llinares captured this striking image of a VF-103 *Jolly Rogers* F-14 Tomcat.
